Help Build a World Where Everyone Has a Healthy Life

Everyday, MSH works to save lives and improve the health of the world's poorest and most vulnerable people. With your support, MSH can continue to tackle important health problems like HIV & AIDS; TB; malaria; chronic diseases; and maternal, newborn and child health. Working shoulder to shoulder with local partners – from community health workers in Haiti, to drug shop owners in Tanzania, to midwives in Afghanistan – MSH is helping bring essential medicines and health services to countless people. Your support makes a powerful difference

Founded in 1971, MSH is a nonprofit 501(c)(3) organization. Your contribution is tax deductible as allowed by law. All donations are processed securely through Click&Pledge, a fully PCI/CIST certified system. MSH policy prohibits the sale, lease, or trading of information about its donors with any other organization or third party individual.
